Gert & Uwe Tobias: 'Untitled '13' (closes on Saturday) The work of these super-talented twin brothers has taken a wonderful turn for the Gothic-Surrealist. Team Gallery's Wooster Street space is filled with woodblock paintings of strange goings-on in rich colors that manage to look new and also rather old and Germanic, along with small sculptural exquisite corpses that cleverly use found ceramic vessels as bases (or bodies) for roughly modeled heads. At Grand Street gallery scores of mixed media works on paper reveal sources (mostly magazine images) that continue the great color and implicitly theatrical stagelike space. Team Gallery, at 83 Grand Street, near Wooster Street, and at 47 Wooster, SoHo, (212) 279-9219, teamgal.com. (Smith)
